

## Field set up for 5th-6th grade games on Turf:

The sidelines will be the football markings. The goals should be brought forward to the 10 yard line. The top of the goal box will be the 15 yard-line, sides are football hash marks. Goal kicks will be taken from there. The top of the penalty box will be the 25 yard line, width is indicated by blue lacrosse lines or 5 yards in from the sideline (as some turf fields do not have lacrosse lines). Referees will be lenient with any violations as an actual box is not marked.
